Consideration of Annual Report

The Chairman spoke to his annual report which appears in full on the website.

Consideration of Annual account

The Chairman referred to the audited account on the website

Questions

There were some questions raised by both members of the Board and members of the public during which it was noted that Murdo Crosbie was the only bailiff on the river. Steve Smith said that there had been no success in attracting any interest from other potential bailiffs or water-watchers at the moment.
